FEES

Fees are determined by Council from time to time and are subject to revision without notice.

1. TERMS OF PAYMENT

A registered student is personally liable for all tuition and accommodation fees, notwithstanding any pledges of support or bursary that they may have received.

It should be noted that the contract which forms part of the application form for admission to the University of Cape Town and which to that end was signed by the student and/or their legal guardian, legally binds those parties to pay the full tuition and accommodation fees for a year of registration as determined by the University. This liability is not affected nor reduced through ignorance on the part of the student/guardian regarding the rules and regulations of the University of Cape Town or of the validity of his/her registration in terms of the said rules and regulations.

Since a student's fee account is based on his/her academic record and accommodation choices, it is their responsibility to verify the correctness of this information.

1.1 Tuition Fees

Students will be charged for all academic courses for which they register.

First payment is due on or before 07 February 2025

We do not issue detailed statements of account prior to the first payment date. It is therefore the responsibility of the student to pay the first payment as set out below by the due date.

- 1.1.1 Each student must make a first payment of academic fees, as follows, by 07 February 2025, subject to a one-off late payment surcharge of 5%.** This includes students who intend registering after the payment date, for example postgraduate students.

Students registering at the Graduate School of Business see point (b) below for first payment due dates. Qualification not listed in point (b) the due date is 07 February 2025.

For the first payment of residence fees, refer to 13.1.

Balance of all fees is due by 31 July 2025.

**ALL STUDENTS FROM OUTSIDE SOUTH AFRICA, INCLUDING
SADC, SHOULD REFER TO FEES FOR INTERNATIONAL
STUDENTS; POINT (d) OR (e) BELOW
AND Section 5, of this handbook.**

- (a) **All students with South African citizenship or permanent residence for qualifications not listed below R 32 500**

- 1.1.2** The University of Cape Town does not accept responsibility for incorrect addresses, blocked e-mails or postal service deficiencies resulting in statements of account not being received. It is the responsibility of the student to make enquiries should he/she not receive a statement of account. The fact that no statement of account has been received will not be accepted as a reason for failure to pay the university fees by due date.
- 1.1.3** Where a student has applied to the bank for a student loan, the first payment deadline will be extended until 31 March 2025, provided that the Fees Office receives a confirmation letter of an approved loan from the bank. No further extensions will be granted.
- 1.1.4 Bursaries and Sponsorship**
Any student who has been made a firm offer of an external bursary or scholarship must provide the Fees Office with written evidence from his/her sponsors and may deduct one half of the annual award from the first payment of fees due. Awards which have not been confirmed by the due date for payment of fees may not be used to reduce the first payment due. Such awards when confirmed will be credited towards fees due by 31 July 2025. Students who are uncertain on receiving a bursary, which subsequently does not materialize, will not have an adjustment made to the 5% surcharge raised on short payment of the first payment or to interest charged.
- 1.1.5 Final payment must be made by 31 July 2025**
Payment of the balance of fees is due on 31 July 2025. We send out detailed statements of account every month from March onwards.
- 1.1.6** Interest is charged on overdue accounts at 1% per month.
- 1.1.7** Where a student registers for the first time in the second semester of an academic year, the full fees (including residence, if applicable) are payable on registration or **prior to registration** for International Students including those from SADC countries. If fees are unpaid and student registration has been allowed due to residency, the fees are due immediately and interest is payable.
- 1.1.8** Where a student adds one or more courses at the start of the second semester of an academic year, the fees in respect thereof are due immediately and payable within 30 days of registration including summer term. Interest is charged on overdue accounts at 1% per month.
- 1.1.9** For fee purposes the same rules and conditions apply to a student who is provisionally registered at the University of Cape Town as for a registered student.
- 1.1.10** All fees due to the University are a first charge on any scholarship, bursary or loan granted by the University or paid to the University from other sources for the benefit of the student. If the total of bursaries/scholarships exceeds fees due, the balance may be drawn by the student in two equal instalments after 07 February and 31 July if the University has received payment of the bursary and the refund is agreed to by the sponsor.
- 1.1.11** A student to whom an advance is to be made, or to whom residual funds are to be disbursed, is required to capture his/her banking details on the PeopleSoft Student System via the Student Portal URL: <http://studentsonline.uct.ac.za>.

6 TERMS OF PAYMENT

Payments are made by electronic funds transfer and cannot be processed unless bank details have been entered. Students need to keep these current to avoid delays and payments being processed to incorrect bank accounts.

Payments made by online credit card will be refunded back to the same credit card if request is done within the allowable period.

- 1.1.12 A student who has a credit balance on his/her fee account because of an external payment, will not be refunded until at least 14 days have elapsed from the credit of the payment to his/her fee account.
- 1.1.13 Student identity cards must be produced at the Fees Office when withdrawals or refunds from fees accounts are requested. Students will be requested to provide supporting documentation where required.
- 1.1.14 Any case which may not be provided for in these rules will be subject to the ruling of the Council.

1.2 Residence Fees

Students who will be entering UCT student accommodation should refer to Section 13 of this handbook.

<https://payment.flywire.com/pay/payment>

A copy of the deposit slip/transfer form should be e-mailed to the Fees Office, University of Cape Town, fnd-feeeng@uct.ac.za to assist with the timeous allocation of payments to the appropriate fees account.

1.4 Payments Received

All payments received will be applied in the first instance to any amount outstanding from the prior year debt. Thereafter payments made will be applied against current year debt in the following order:

Tuition charges,
Residence and meal charges,
External Bursars Allowances,
Finance administration and miscellaneous charges.

1.5 Outstanding Fees

Students with outstanding balances on their fees account exceeding R1 000:

- (a) will not be permitted to graduate;
- (b) will not receive their examination results;
- (c) will not receive an academic transcript;

Students with outstanding balances on their fees account exceeding R10 000:

- (d) will not be permitted to re-register in the following year;
- (e) will not be permitted to register for Summer Term programmes which start in the next academic year;
- (f) will have any offer of a place in residence cancelled if outstanding fees are not paid by 30 November 2024;
- (g) will not have any subsequent application processed until debt has been settled in full.

1.5.1 Students who have outstanding fees, fines, interest, current registration of occasional non-degree studies or dues will not be awarded degrees or diplomas in:

- (i) March, if any amount is unpaid by 19 December 2024
 - (ii) September, if any amount is unpaid by 10 July 2025
- Any changes to the graduation month; fee deadlines will be communicated accordingly

1.5.2 We charge interest monthly on outstanding balances at 1%. Where the final fee payment date is 31 July, interest is charged on outstanding balances at 1% per month from 31 August and at the end of each succeeding month.

1.5.3 A student whose fees are not paid by the due date, and who has not produced evidence of receipt of a bursary/scholarship/loan, may be excluded from attendance at classes or from a residence or a student housing unit.

1.5.4 Where a student has prior year outstanding fees, payments received will be allocated to clear unpaid interest first, followed by the oldest debt.

1.5.5 A student must check his/her fee account on a regular basis. This is especially important

8 TERMS OF PAYMENT

prior to the year-end. Various charges may be debited to fee accounts if the student has not settled these in cash, and these include library fines, traffic fines, student health charges and residence damage costs. Such charges will often appear on fee accounts late in the year. Students can access their fee account from the UCT website via the Student Portal URL: <http://studentsonline.uct.ac.za>.

2. ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering, and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s all-inclusive course-based fee structures published in Section 12 of this booklet, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2025.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up the all-inclusive cost of the course in this booklet. The sum of these costs will give you the total cost for the set of chosen courses as there are no levies or additional academic charges.

Faculty handbooks containing the curriculum for each qualification can be obtained from the relevant faculty office and this information is also available on the UCT web site: [Handbooks | University of Cape Town \(uct.ac.za\)](http://Handbooks | University of Cape Town (uct.ac.za))

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

To assist first time applicants, the table below lists fees for typical first-year undergraduate degrees for South African applicants. It will give you an idea of what the fees are likely to be. They may vary a bit depending on actual choice of courses.

2.1 Typical 1st Year Tuition Fees

2.2.1 GSB students

Rebates for tuition fees (acceptance and administration fees are not rebated) may be granted depending on when the online application of intention to discontinue studies is received by the GSB Faculty Office.

The unique nature of GSB programmes/courses precludes the organisation from replacing students once a programme/courses has commenced. Consequently, and with due consideration of Section 17(2) of the Consumer Protection Act, the following reduction in the academic fees *may* be considered in special circumstances, depending on when the notice of intention to discontinue studies is received by the Faculty Office:

Programme / Qualification/ course	Last date to add a course	Last date to drop a qualification/course		
		Get 75% fee adjustment	Get 50% fee adjustment	Cancel transcript entry
GSB Full Time	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.
GSB Modular	Friday of the first week of starting.	Friday of the first week of starting.	Friday of week three of starting.	Monday after which two thirds of the course has been presented/run.

Programmes/courses commence on the day a student is required to be at orientation. No reduction will be granted if the notice to withdraw is received after the above deadlines.

No withdrawal is possible after the ‘cancel transcript’ entry date.

Note: These dates will be strictly adhered to. *Any fees owing is due immediately on cancellation of studies.*

2.3 Drop an Individual Course

Students must give notice of intention to withdraw from individual courses in writing by completing the Change of Curriculum Form and uploading it via Service Request on PeopleSoft. When students withdraw from individual courses of a minimum duration of one semester, any fee reduction is dependent upon the date of withdrawal. If the course duration is less than one semester, there is no fee reduction if a student withdraws from the course after it begins.

Course	Last date to add a course	Last date to drop a course		
		Get 100% fee adjustment	Get 50% fee adjustment	Cancel transcript entry
Whole year courses	21 February	21 February	01 August	08 August

No reduction will be granted if the Change of Curriculum Form is uploaded via Service Request on Peoplesoft after the above deadlines. Should a student register late the same number of days will be applied to calculate the rebate.

After the last date to withdraw from a course but before the tenth last teaching day of a semester or year course, a student may notify the faculty office that he or she does not intend to complete the course (by completing the Change of Curriculum Form and uploading it via Service Request on Peoplesoft). In this case the course remains on the record with a result of INC. During the last ten days of a semester or year course such notifications will no longer be accepted and a result of DPR or AB will be awarded by the department.

No withdrawal is possible after the 'cancel transcript' entry date.

2.4 Add an Individual Course

The following minimum penalties may be charged per course which is added:

The following information is supplied to help a sponsor to interpret the fee accounts sent during the year. Additionally, it is supplied to assist sponsors in their calculation of funds needed by their students for costs which do not appear on fee accounts e.g. food and lodging outside University residence, education material required and sundry expenses. Please return to the Fees Office any fee statements which are not for your account, or which have been addressed to you in error. Regular campus communications will be updated onto UCT website.

4.1 The balance of any scholarship or award, after settlement of fees, will be refunded to the student on receipt of your payment. Sponsors must inform UCT in writing if surplus funding is not to be paid out to a student. In most cases, students use funding from additional sources to help them meet expenses incurred in connection with their studies (for example, accommodation and subsistence, books and stationery, transport). Please therefore, ignore credits of this nature when calculating the amount due by you.

4.2 The estimated minimum amount required for board and lodging by students not accommodated in residence is **R 126 690** per year or **R 139 320 for Medical Students** who have a longer academic year. - 4.3.1 additional approximate amount required by students who have chosen meal option (2), per year..... **R 9 080**

Health Science Students in self-catering residences will require an approximate amount of **R43 000** per year (**R4 300** per month) to cover the cost of meals.

4.5 We estimate that the following ancillary expenses could be incurred by each student in 2025:

- Books and Stationery **R 10 000**
- Laptop..... **R 9 300**
- Educational Equipment **R 5 000**
- Living expenses, local transport, pocket money and sundries **R 10 000**

Tel: +27-21-650 2822

Email: iapo-finance@uct.ac.za

Website: uct.ac.za/international

International students are required to pay fees in addition to their academic and residence fees. Which fees must be paid depends on the chosen programme of study, and on the student’s nationality or citizenship. Unless otherwise indicated, all fees are charged in South African Rand (ZAR).

Where a student is registering for non-degree purposes, the fee is programme-specific. Students registering for non-degree purpose should refer to sections 5.1 through 5.3 below. These sections outline fee liability for the following programmes of study.

- Semester Study Abroad
- Exchange
- Occasional studies for individual course enrolment or for research

Where a student is registering for a programme of study leading to a qualification to be conferred by the University of Cape Town, that student’s fee status is based on their nationality or citizenship at the point of registration. International full-degree students should refer to sections 5.4 through 5.6. These sections outline the fee liability for the following programmes of study.

- Undergraduate qualifications (Bachelors, Diploma, Higher Certificate)
- Postgraduate taught qualifications (coursework Masters (including MMed and MPhil sub-specialities), Honours, Postgraduate Diploma, Postgraduate Certificate)

The SSA programme is a study abroad programme for any student (regardless of nationality) taking courses for one or two semesters only towards a qualification from a university established outside of South Africa. SSA students are registered at UCT for non-degree purposes. Credits for courses in the SSA programme do not count towards a South African degree but may be transferred towards a degree in another country.

The programme charges a package fee covering course tuition fees for up to four semester courses and services covered by the International Administrative Fee. Fees will be payable in advance, prior to registration at UCT.

Per semester fee

For students from universities in Africa	US\$ 7 080
For students from universities outside Africa (rest of world)	US\$ 8 310

International Occasional Studies students who wish to enrol in one or two courses only should consult section 5.3 below. South African or SADC students who wish to enrol for Occasional Studies for non-degree purposes should apply for admission to the relevant Faculty Office.

5.2 Exchange Programmes

The tuition and administrative fees for international exchange students enrolling at UCT are dependent on the programme. Students are accepted into the programme in terms of a signed inter-institutional agreement which lays out the fee liability of participating students. For further details, contact the International Office by e-mailing SSA@uct.ac.za.

In certain cases, an Exchanges Levy (which covers administrative and support services broadly equivalent to the International Administrative Fee) will be applicable. Fees will be payable in advance, prior to registration at UCT.

Exchanges Levy **US\$ 253**

Exchange students must register as UCT students for non-degree purposes and enrol in courses. For courses taken towards a taught qualification at a non-South African university, registration is via the Semester Study Abroad programme (see section 5.1 above).

Students pursuing, at their home (non-South African) university, a postgraduate degree by research only, should enrol in the hosting faculty's International Occasional Studies research courses. These are differentiated by the intended period of attendance (see section 5.3.2 below). For details about applying, write to SSA@uct.ac.za

Note: Fees for students in a joint or co-badged Master's or PhD are specific to the inter-institutional agreement. Contact IAPO-finance@uct.ac.za for details.

Occasional Studies is a programme for students with an undergraduate degree, or appropriate qualifications or experience, to register at UCT for non-degree purposes (see General Rules and Policies, handbook 3, for further details). Students enrolled in courses for Occasional Studies will receive a transcript of learning (for taught courses) or attendance (for research courses).

Students must typically have completed a degree or be registered for a degree at a non-South African university to be eligible.

For details about enrolling as an international occasional student for taught courses, see 5.3.1 below.

For details about enrolling as an international occasional student to pursue research towards a research qualification elsewhere, see 5.3.2 below.

The fee status of a student registering for Occasional Studies is based on that student's citizenship at the point of registration unless that student is attending as an exchange or Semester Study Abroad student, in which case the fee outlined in sections 5.1 and 5.2 will apply.

5.3.1 Independent International Occasional Studies (taught courses)

Students are required to enrol in courses, attend classes, and write exams. A South African matriculation exemption is required for acceptance into this programme at undergraduate level.

Fees will be payable in advance, prior to registration at UCT.

Students participating in a semester study abroad or exchange programme should refer to section 5.1 and 5.2 of this handbook.

5.3.2 Independent International Occasional Studies (research courses)

Visiting international students who are not taking UCT taught courses but who wish to pursue research towards studies at their own university by using UCT's libraries and other facilities, must first make contact with a UCT department to ensure they will be welcome, and obtain an assurance that there are necessary resources (with mutual understanding of expectations) to accommodate them in the host department. Thereafter, online application should be made for admission as a postgraduate Occasional Studies student. (For details about applying, write to ssa@uct.ac.za.)

An international occasional research student does not attend lectures, work at UCT, or write examinations, but may participate in research seminars and activities. International occasional students who hope to have research supervision must make arrangements with the host department noting that access to a co-supervisor is subject to availability.

International occasional students pursuing research register as a student for non-degree purpose at UCT, enrol in a research course, and receive a transcript of attendance.

5.6 International and refugee scholarships

A limited number of scholarships are available annually to international and refugee students for postgraduate study in any discipline at UCT. As there is only one call for applications each year, it is important that the application procedure is strictly followed. These scholarships are awarded on a competitive basis and preference is given to candidates registered for higher degrees.

All UCT international and refugee students' scholarships are supplementary as a contribution towards Cost of Attendance. Students who apply must have the means to fund their studies.

Values:

Honours – R25 000

Master's – R30 000

Doctoral – R35 000

The scholarships are renewable for the duration of the programme of study, if satisfactory progress is maintained, e.g., once for master's (2nd year only) level and 2 for doctoral (2nd and 3rd year only) level. Students who are eligible for renewals of awards, will be automatically renewed on condition of satisfactory progress.

Applicants must apply for full-time admission through the UCT admissions office or the faculty office. Late applications are not accepted.

Closing date: 31 August (preceding the year of study)

[2025 Application Form](#)

The applicant's country of origin has no bearing on the award of scholarships, but proof of refugee status is required. For enquiries please contact: pgfunding@uct.ac.za

11. UCT ACADEMIC FEES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to accurately calculate the cost of their academic studies at UCT in 2025.

Since a student’s fees account is based on his/her academic record, it is the student’s responsibility to verify the correctness of his/her academic record.

To assist students and fee payers’ budget for their academic studies at UCT for 2025 we have set-out below the cost of fees for a typical qualification by faculty and year of study.

Note: The following typical fees for South African students are only guidelines and will vary with the students’ actual choice of courses.

11.1 Typical 1st Year Tuition Fees

12. UCT ACADEMIC COURSES

All students from outside South Africa, including students from SADC countries, should also refer to fees for international students in Section 5 of this handbook.

The University of Cape Town operates on a course-based fee structure inclusive of all “add-ons”. Thus, the dictum that ‘the price you see is the price you pay’ applies to all academic offerings across the University.

Please note that residence, catering and miscellaneous fees such as subscriptions to clubs and societies are itemised and charged separately on the student fee account.

The University’s course-based fee structures, together with the relevant Faculty handbook, will enable students to calculate the cost of their academic studies at UCT in 2025 accurately.

The Faculty handbook will indicate the courses that can be taken in pursuing a qualification and the relevant course code. Use this code to look up **the all inclusive cost of the course** in this booklet. The sum of these costs will give you the **total cost** for the set of chosen courses. **There are no levies.**

Since a student’s fees account is based on his/her academic load, it is the student’s responsibility to verify the correctness of his/her enrolment for courses in the current year.

Faculty handbooks can be obtained from the relevant faculty office and this information is also available on the UCT web site: [Handbooks | University of Cape Town \(uct.ac.za\)](http://www.students.uct.ac.za/students/fees-funding/fees/handbook)
Courses added after the publication of this handbook will be listed on the Fees website at <http://www.students.uct.ac.za/students/fees-funding/fees/handbook>
